

BAKE AT HOME

Home Baked Freshness • Artisan Made
All Natural • Always Delicious

Röckenwagner par-baked and frozen breads will appeal to the most discerning home cooks.

The home- and par-baked sectors have seen extensive growth recently for a simple reason: People love warm, fresh bread at home, but often don't have the time to make it from scratch or pick it up straight from the baker's oven. Röckenwagner offers the best quality,

preservative-free bake-at-home items that are made and shipped daily. Whether it's our Italian trattoria-style ciabatta loaves or rolls or our French bistro-style baguettes, they can all go from oven to table in under 15 minutes.
